Machu Picchu holds the meaning of 'old settlement' is among the new seven wonders of the world. It is located halfway up the Andes Plateau in the Amazon jungle and above the Urubamba River. This magnificent city which is believed to develop by the Incas was "lost" for three centuries and then rediscovered by Professor Hiram Bingham in 1911. Machu Picchu is obviously a source of national pride for Peru. It is a valuable historical sites for researchers worldwide as well as tourist attraction. In this exhibition, 73 selected Machu Picchu photos will be displayed at Dewan 2020, Perpustakaan Tuanku Syed Faizuddin Putra and Perpustakaan Negara Malaysia Negeri Perlis. The Odyssey: Perlis to Machu Picchu exhibition also highlight fascinating places of Perlis in the forms of paintings and photographs. We believed that this exhibition is a great approach to learn more about this fascinating archeological site.
