

Pentadbir Universiti Perlu Komited Untuk Mencipta Kejayaan - Mary Yap

PADANG BESAR, 21 Nov (Bernama) -- Pentadbir yang komited dan bertanggungjawab mampu menerajui sesebuah universiti mencapai tahap cemerlang, kata Timbalan Menteri Pendidikan Tinggi Datuk Mary Yap Kain Ching.

Ciri-ciri penting pentadbir universiti antaranya adalah berwawasan, rajin turun padang, penyayang dan berdisiplin, katanya semasa berucap melancarkan program 'Pemeriksaan Lonjakan 1 (PT) 2015' peringkat Universiti Malaysia Perlis (UniMAP) di Kampus Sungai Chuchuh di sini, Sabtu.

Yap berkata pencapaian UniMAP dalam usia sangat muda (14 tahun) termasuk memperoleh banyak kejayaan dalam pelbagai forum sahaja menjelaskan halatujunya untuk menjadi universiti kejuruteraan yang dinamik sangat membanggakan.

Kejayaan sesebuah universiti turut bergantung kepada keberanian pentadbirnya melaksanakan program yang membantu menaikkan tahap kecemerlangan universiti tersebut, katanya.

Menurut Yap universiti juga harus sentiasa melaksanakan program untuk meningkatkan keberkesanan komunikasi pelajar dan kakitangannya.

Bersempena pelancaran program itu, pelbagai aktiviti diadakan antaranya pameran, persembahan seni mempertahankan diri dan peluang melanjutkan pengajian di UniMAP.

University Administrators Must Be Committed To Achieving Success - Mary Yap

PADANG BESAR, Nov 21 (Bernama) -- Committed and responsible administrators can lead a university towards excellence, says Higher Education Deputy Minister Datuk May Yap.

She said university administrators should have important qualities like being visionary, regularly meeting ordinary people, caring and disciplined.

Speaking at the launch of an empowerment programme at UniMAP's Sungai Chuchuh campus here today, Yap said UniMAP's achievements in its 14 years included many successes in various fora, clearly reflecting its objective of becoming a dynamic engineering university.

"The success of a university depends on the courage of its administrators in implementing programmes that can help improve its excellence," she added.

She said universities should always hold programmes which would improve the communication skills of its students and staff.
