SETARA-2017:

The Mandate

**Amanat
YB Menteri Pendidikan Tinggi,
Januari 2017**

“Dalam usaha jaminan kualiti dan standard, saya juga ingin mengumumkan bahawa pengukuran prestasi kebangsaan melalui SETARA-2017 dan MyQuest 2017 akan beraksi tidak lama lagi.”

The Context

- The MEB 2015-2025 (HE) was launched in April 2015 to achieve Malaysia HE system and student aspirations.
- In January 2017 YB Minister announced SETARA would resume this year.
- SETARA-2017 is to re-align the assessment metrics with MEB 2015-2025 (HE).
- Major re-alignment is to focus on institutional excellence for HLIs to build strong fundamentals to deliver on three core functions: (i) Teaching and Learning, (ii) Research and Innovation, and (iii) Services to Community and Industry
- SETARA-2017 is developed for universities and university colleges.
- It is an integrated instrument to complement other ratings for HLIs: MyQuest, MySpekk, Polyrate and MyRA.
